STANDARD CABIN LAYOUT

OPTIONAL CABIN LAYOUT

Shown with mid-berth 'L-shaped' seating (converts to sleeper)

Some features and options may not be available when a boat is built for regions outside North America and/or has CE Certification. Boats ordered with 220V/50 cycle electrical systems will have the appropriate appliances in the corresponding voltage.

SUNDANCER® 350 COUPE

Regardless of your destination, this spirited performer will get you there with enough class and fashionable flair to satisfy the most demanding guest. The 350 delivers refined luxury with a contoured Coupe fiberglass hardtop, ingenious Coupe foredeck seating, ample cockpit seating and amenities galore. The helm is designed to seamlessly integrate a range of standard and optional navigational gear, and eases control of the MerCruiser® engines or the optional Axis™ propulsion system.

The Coupe foredeck features an enhanced bow seating configuration, adjustable & articulating backrest, cupholders and integral speakers.

From the deluxe galley with ample storage to the solid-surface countertops and recessed stove, the Sundancer 350 Coupe is fit for a top chef.

The 350's V-berth comes fully equipped so you can rest easy. The double bed is outfitted with neutral sheets as well as a luxurious memory-foam mattress.

The luxurious, wood-trimmed mid-berth includes convertible twin beds that convert to a double berth with slide-out base & dedicated filler cushions. (Shown with optional mid-stateroom L-shaped seating layout.)

An optional cockpit retractable sunshade and transom Gourmet Station make for an inviting and comfortable social zone.

The well-designed, tiered helm station features standard Digital Dash with Mercury® VesselView Link Data with Simrad GO9 (9") Touchscreen Display & Chartplotter.
